Clear message flow down for one to analyse and for guidance.

CLEAR MESSAGES

Certain messages may seem rather cryptic, make an effort to try and understand what is really conveyed.

Learn to use your wisdom to judge at many things, let go the unnecessary burden to have a peace of mind.

Eventually, one will realise the hidden meaning in the messages, each promise one gives, one must fulfil.

All virtues come from the teachings and the teaching teach virtues, action shows the degree of cultivation.

Rely on oneself and with willpower one can endure all odds, resolve all problems with patience.

Messages sent from above.

Ease one mind.

Share your knowledge and be magnanimous.

Specific indication one may notice.

All messages should not be altered.

Gather all knowledge and teachings into full use.

Eliminate all negative thoughts.

Silently fulfilling your vows one has pledged.

Pure is the mind.

Ultimately one's mind will be stained if one mixes with wrong company.

Realise it before it is too late.

Everyone aiming higher and higher but the fall will be harsh, so learn to be satisfied with what one possesses.
