CHAIRMAN'S MESSAGE

The Thye Hua Kwan Temple at Fernvale Link is currently under construction. The Chinese temple aims to be more than just a place of worship for the Chinese but a place where people of different faiths come together to learn about different religious beliefs and practices through various talks and programmes.

The Temple will have a library of Religious Books from the various faiths. It will also have a Hall of Filial Piety where members of the public can place a tablet for their ancestors or relatives, but they will have to place a video on the lifetimes of their deceased parents. It is our wish that the children or grandchildren will remember their forefathers by watching the video.

Thye Hua Kwan continues to provide services to respond to the needs of the community. In the third quarter of 2017, Thye Hua Kwan Moral Society was reappointed as the managing agent of both the Moral Welfare Home and the Angsana Home @ Pelangi Village for a term of 3 years starting from 2018 to 2021.

THK Child Care Centres were also novated and rebranded as Super Talent Childcare Ltd.

The second phase of the building expansion for Ang Mo Kio-Thye Hua Kwan Hospital was completed in 2017. New infrastructure and amenities were added to facilitate the expansion of services. Thye Hua Kwan Moral Charities also set up the THK Autism Centre @ Geylang Bahru to serve adults with Autism Spectrum Disorder.

THK Medical Services serve anyone who needs help within the community. THK Free Clinic (Western Medical) also welcomes migrant workers in need to seek medical consultation.

All of these would not have been possible without the support of the community stakeholders such as ministries, government agencies, corporate companies, donors and volunteers. We are grateful for the support as we continue to work together to serve those who need help with full respect to their race, colour, creed, language, culture and religion.

2017 was an eventful year for Thye Hua Kwan Moral Society. THKMS celebrated our 39 years of history and launched a new logo for one of our iconic events known as the Inter Racial Inter Religious Harmony Nite. The logo takes the form of a dove that represents peace and harmony.

In light of the global unrest and religious conflict that is increasingly prevalent in the world today, it is ever more important that Singapore's self-made asset of racial and religious harmony permeate among our people and is passed on to future generations. The Inter Racial Inter Religious Harmony Nite continues to adopt a youth-centric approach through strategic partnerships with the National Youth Council to emphasise the message of racial harmony among youths.

President's idea led to scheme helping those with disabilities

They can now join activities at some of THK Moral Charities' senior centres in lull periods

Priscilla Goy

The germ of an idea came from President Halimah Yacob several years ago when she was a minister of state.

Yesterday, she visited a charity that had brought it to fruition by opening up some of its eldercare centres to people with disabilities after mealtimes, when the crowds of seniors have dwindled.

These centres allow those with disabilities to take part in social and recreational programmes in the community, so they will not be cooped up at home. At the same time, caregivers get a respite. The facilities are offered for free, for a few hours a day, up to three days a week.

This drop-in disability programme for people aged 16 and older is offered at four of the 15 seniors activity centres run by Thyee Hua Kwan (THK) Moral Charities. It started in 2013, shortly after Madam Halimah suggested it to the charity, when she was Minister of State for Social and Family Development.

THK Moral Charities chairman Lee Kim Siang said: "She realised that children above the age of 18 had nowhere to go after they graduate from special education schools. They are at home every day and their family members could find it hard to cope."

Mr Lee was speaking during a visit by Madam Halimah to THK Indus Moral Care seniors activity centre in Tiong Bahru, which has yet to offer

the disability programme.

Said Madam Halimah yesterday: "There are certain peak and lull periods in the seniors activity centres, and the lull periods are when something more could be done."

It was why she had discussed with Mr Lee if people with disabilities who are not at school or work could use the centres during the lull periods.

Madam Halimah commended THK Moral Charities for its work and said it was a "major player in the social service sector".

It runs more than 60 programmes, two homes and 55 centres for different disadvantaged groups.

"THK Indus Moral Care has been around for 17 years... I see the senior citizens here with happy faces, which means they find the activities you provide meaningful," she said.

"We want our senior citizens to be independent and supported by

their families, but also to have community support which is accessible to them."

The centre serves 380 senior citizens living in Block 79, Indus Road - where it is sited - as well as nearby blocks.

Mr Leong Tuck Soon, 93, who goes regularly to the centre, said he enjoyed speaking to Madam Halimah.

"We spoke in Malay. She is someone who is understanding and concerned about people's welfare."

Since she was sworn in as head of state on Sept 14, Madam Halimah has visited a centre run by the Association for Persons with Special Needs that prepares people with disabilities for employment, and the National University Hospital to see how its healthcare workers are coping with the demands of Singapore's ageing population.

鸽子新标志提倡和平 2200民众参加种族宗教和谐宴会

张汐莹 报道
zxiying@sph.com.sg

超过2200名来自各种族及宗教社群的民众出席了第14届种族宗教和谐联谊宴会。

宴会主宾是陈庆炎总统伉俪，他们由文化、社区及青年部长傅海燕陪同出席前晚在滨海湾金沙举行的常年晚宴。22个国家的外交使节也受邀出席。

主办方之前邮寄宣传单邀请公众出席晚宴，而最终受邀公众的名单则通过抽签方式决定。

除了有各族群文化特色的精彩演出，今年的晚宴还特别邀请印度尼西亚大使馆安排呈献民族舞蹈表演，为庆祝新印两国建交50周年，以及展现印尼文化。

据了解，往后的种族宗教和谐联谊宴会也将会带入其他亚细安国家的文化，进一步促进多元种族与宗教的和谐。

和谐联谊宴会的新标志以象征和平的鸽子为中心，目的是凸显德教太和观促进宗教和种族和谐的决心。标志在今年5月德教太和观39周年庆祝晚宴时特别推

联谊宴会今年由德教太和观主办，全国青年理事会协办，希望信息传达给青年，鼓励青年成为和谐大使。

协办团体也包括华社自助理

事会、回教社会发展理事会、印度人发展协会、欧亚裔人士协会、新加坡宗教联谊会、德教济云阁和德教济霞阁。

德教太和观主席李锦祥受访时表示，希望通过晚宴弘扬宗教

种族和谐，鼓励国人无论宗教、种族、文化或语言上的差异，要互相帮助，共同和睦生活。

他也呼吁国人，“要养成一个自然的习惯，尊重别人，不分彼此，维持社会稳定与和谐。”

王瑞杰：维护种族和谐 像朝同一目标旅程

卓卓薇 报道
tohhyw@sph.com.sg

维护种族与宗教和谐就像一趟旅程，乘客们尽管背景各异，却朝往同一方向迈进，并谨记彼此共有的目标与价值观。然而和谐之路没有终点，守护新加坡特有的和谐与和平是一项永久工程。

财政部长王瑞杰昨天在“和谐列车”推介仪式上致辞时，谈及近日发生在世界各地的多起恐怖袭击，以及年轻

国人受网络影响，自我激进化且有意制造混乱和破坏和平，结果被拘留的事件。

王瑞杰指出，要如何防止社会分化，维护和谐，可将这个过程想象成一趟人们共享的旅程，从而捍卫种族和宗教和谐的共同目标，以创造和平、充满友爱与关怀的家园。

他说：“我们应该通过坦率和频繁的交流，充分发挥我们的多元性。在这趟旅程中了解彼此，传达我们的观点，

也同时要敞开心胸聆听。”

不过，他也强调这趟维系和谐的旅程并没有终点，“守护我们特有的和谐与和平是一个永久工程，我们须谨记并坚守我们共同拥有的：相同的目的、及共享的目标与价值观”。

德教太和观去年发起以种族、宗教和谐为主题的流动展览，首次打造“和谐卡车”，王瑞杰原是开幕仪式的主宾，但由于他当时中风留医，因此无法出席。

王瑞杰说，“和谐卡车”去年吸引了超过4万5000人参观，当中包括本地人和在本地居住的外国人。今年的“和谐列车”规模更大，而它所强调的多元性在当前环境是“适时和重要的焦点”。

配合今年第14届种族宗教和谐联谊会，德教太和观与全国青年理事会联手推出全岛唯一列“和谐列车”，希望通过缤纷多彩的设计传达维系社会和谐的信息。

列车长165公尺，接下来六至八个星期将在地铁东北线川行，每天运行18个小时，预计有超过42万人次搭乘。

她说：“‘和谐列车’的设计概念为求同存异、多元共存以及和谐共荣。我们在设计上融合各种颜色，代表了我们对所有国家、民族或宗教都是一视同仁，希望这个世界也如此五彩缤纷。”

德教太和观主席李锦祥说：“列车设计反映了我们的多元种族，也提醒大家勿忘新加坡是个多元化社会，是多元化让我们成为新加坡人。”

Racial harmony shines in glow-in-the-dark soccer game

Participants had a ball at a unique soccer game at Kovan Sports Centre yesterday. Organised by the Thye Hua Kwan Moral Society, each of the 20 teams that took part in the Harmony Ball in the Dark event had to have members from at least three different races. Teams were given glow-in-the-dark accessories, highlighting how "Singapore's racial and religious harmony will glow even brighter in the face of dark, senseless terror attacks", organisers said. Yesterday's event kicked off the 14th edition of the Inter Racial Inter Religious Harmony Nite campaign. The theme this year is Diversity Makes Us One: A Celebration of Togetherness, and activities will be held this month and next. ST PHOTO: MARK CHEONG

Yaacob: Stand together when terror attack happens

Charissa Yong

Programme manager Robert Ronald reckons many Singaporeans' first instinct would be to take a video if a terror attack happened at where they were. "But they should not. They should run, hide and tell," said Mr Ronald, 48, who heads the community emergency and engagement grassroots committee in Kolam Ayer. Yesterday, at Kolam Ayer's Emergency Preparedness Day, residents learnt what to do in the event of an attack.

Officers from the police and civil defence force as well as actors simulated a "terror attack" outside Upper Boon Keng Market and Food Centre, where a gunman fired blanks at people having breakfast. Those who were not shot at fled or hid, and one woman used her phone to message the police while hiding.

These community events will happen across all 89 constituencies as part of the SGSecure movement to prepare Singaporeans for a terror attack.

Said Mr Ronald: "It's a visual way of telling people what they should do. They can remember they saw someone hiding, for example."

Residents also visited various booths to learn first-aid skills, including cardiopulmonary resuscitation, and how to use automated external defibrillators and fire extinguishers.

Asked what she learnt, housewife Ong Sok Poh, 73, said: "Hide. It's hard to say if an attack will happen here, but it's best to be prepared."

It aims to give youth a greater appreciation of racial and religious harmony in conjunction with the month of July, which is both Harmony Month and Youth Month. The event was organised by the Thye Hua Kwan Moral Society, together with Nafa and Youth Corps Singapore. Senior Parliamentary Secretary for Education, and Trade and Industry Low Yen Ling said the mural represented the "vigour and aspirations" of youth in Singapore. | ANGSA NA HOME @ PELANGI VILLAGE

Angsana Home @ Pelangi Village is a gazetted Welfare Home under the Destitute Persons Act. The Home renders care and rehabilitation to destitute persons. It also operates an intake centre. The Home can accommodate 180 main home residents and 20 intake centre residents.

Thye Hua Kwan Moral Society successfully recontracted the managing agent rights for Angsana Home @ Pelangi Village in the last quarter of 2017 to run the Home for the next 3 years. The model of care at the Home involves holistic assessment of our residents' needs, fostering individual care plans and interim goals, and empowering the residents with support and services. Our multidisciplinary team comprises nursing, operations, programme, case management and administration staff coming together as an integrated unit to ensure timely support and quality care.

STRATEGIC PARTNERSHIPS

In 2017, the Home fostered strategic partnerships with various community agencies such as WeCare Community Services, AWARE Singapore, New Hope Community Services, National Addictions Management Service (NAMS), ISCOS, and Alcoholics Anonymous. The established network will help to complement rehabilitation, reintegration and post-discharge efforts for the residents.

To better support the residents in coping and managing their substance addiction relapses, the Home also worked with National Addictions Management Services (NAMS) to tailor programmes focused on psychotherapies, psychoeducation and support groups for both staff and residents. The programmes are expected to begin in 2018.

The Sheltered Workshop continued to maintain strong ties with our existing partners such as Festive Pack, Unipress and Unigrow to secure contract work so as to ensure that the residents are meaningfully engaged.

The Home has embarked on strategic planning for the Home's infrastructure such as information technology systems, security enhancement, effective space planning of the premises, as well as staff development in areas such as service delivery, professionalism and overall competencies. The "Angsana Future Ready Masterplan" will be executed in 3 phases, spanning over 2018 to 2019.

The Dementia Day Care Centre serves elderly clients who are diagnosed with dementia and living in the community. The centre-based monitoring provides support and assistance with their daily activities that will help to slow down the deterioration process of their physical and mental functions, so as to maintain their general and social well-being. Similarly, caregiver support is also given to caregivers who require respite or support in caring for their loved ones.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THYE HUA KWAN MORAL SOCIETY

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Thye Hua Kwan Moral Society (the Society), which comprise the statement of financial position as at 31 December 2017, and the statement of comprehensive income, statement of changes in funds and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements are properly drawn up in accordance with the provisions of the Societies Act, Chapter 311 (the Societies Act), the Charities Act, Chapter 37 and other relevant regulations (the Charities Act and Regulations) and Financial Reporting Standards in Singapore (FRSs) so as to present fairly, in all material respects, the state of affairs of the Society as at 31 December 2017 and the results, changes in funds and cash flows of the Society for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with Singapore Standards on Auditing (SSAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Society in accordance with the Accounting and Corporate Regulatory Authority (ACRA) Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities (ACRA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other information

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF THYE HUA KWAN MORAL SOCIETY

Responsibilities of Management and Those Charged With Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of financial statements in accordance with the provisions of the Societies Act, the Charities Act and Regulations and FRSs, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Society or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Society's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- (a) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- (b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Society's internal control.
- (c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
