ABOUT US

VISION

To Serve Mankind

MISSION

To help anyone who needs help with full respect to their race, colour, creed, language, culture and religion.

TO PROMOTE

- Love and care for each other, irrespective of any differences;
- Respect for each other's race, colour, creed, language, culture and religion;
- The universal virtues of filial piety, brotherliness, loyalty, trustworthiness, propriety, righteousness, incorruptibility, decency, humanity and wisdom;
- The Oneness of Mankind;
- The transcending of all differences

OBJECTIVES

- To promote good morals and virtues with full respect to each person's, colour, creed, language, culture and religion.
- To help all people and to give relief to anyone in hardship, disaster or need, without discrimination as to race, colour, creed, language or religion; to carry out welfare work for the good of mankind, including rendering of free medicine and medical services, financial and personal support for those who are weak, old, poor, sick or disabled; the promotion of education, and the provision of free burial and funeral expenses, etc.
- To encourage the worship and reverence to God and the Virtuous Founders of the various Religions, to the Saints, Sages, Buddhas and Deities of these Religions and to promote their virtuous Teachings without differentiation as to religious denominations; to promote respect for each other's religious belief and the universality of all religions; to promote the Oneness of Mankind.
- To establish Child Care Centres, Family Service Centres or other community, social or welfare services for the general welfare of the community and to make rules for the management of such Centres or Services.

CHAIRMAN'S MESSAGE

Mission: To Serve Mankind
Motto: No Name, No Gain and No Fame.

Thye Hua Kwan Moral Society is 42 years old and is a registered charity. Our Society respects all Religions, Peoples, Races and Cultures.

In 2019 we built our Temple at 71 Fernvale Link, Singapore 797539. At the 4th storey, we have the Holy Statues of our Creator, Xuan Xuan Shang Ren 玄玄上人, Mu Gong 木公, Lao Mu 老母, Tian Gong 天公, Di Mu 地母, our Jade Emperors Xuan Qiong Gao Shang Di 玄穹高上帝玉皇大天尊 and Xuan Min Gao Shang Di 玄旻高上帝玉皇大天尊. Our three Patron Saints, Hua Toh Zu Shi 华佗祖师 (Master of Medicine), Lu Chun Yang Zu Shi 孚佑帝君 (of the 8 Immortals) and Tai Shang Lao Jun 太上老君 and other Deities are respectfully worshipped at the alter at Level One.

In accordance with our Teachings and Objectives, we have always respected Peoples of different Races and Religions, Cultures and Creeds. Our employees come from all different Races and Religions. Similarly, our BENEFICIARIES also come from all Races and Religions. We are serving many thousands of beneficiaries including serving Halal Food for our Meals on Wheels programme and in all our Homes.

We make sure that we also help the poor and the needy, including paying of rentals monthly for 200 needy families.

Our Temple at 71 Fernvale Link, Singapore 797440 is used by our grassroots for tuition on Wednesday and Thursday evenings. The Temple also has a Hall of Filial Piety where members can place tablets to remember their departed relatives or parents.

Because of the COVID-19 restrictions, the annual Inter Racial Inter Religious Harmony Nite Event (IRIR) which was held continuously for 20 years had to be withheld. Hopefully, if things are better, it will be held next year.

We are grateful to our Creator, Jade Emperors, and our three Patron Saints, Hua Toh Zu Shi (Master of Medicine), Lu Chun Yang Zu Shi (of the 8 Immortals) and Tai Shang Lao Jun and all other Deities, for giving us the opportunity to set up our Charity Services. Without Their help and

Blessings, it would not have been possible for us to do our work. As human beings, it is our duty to do as much as we can, to help peoples of different races and religions.

Our services include helping people of all age groups, from the very young to the very old; the needy, the sick and those who need hospitalisation, child care services, and before and after student care centres. We established Residential Homes, Family Service Centres, EIPIC Centres, Elderly Services, Therapy Services, Meals on Wheels, Home Help, Home Care, TCM services, etc.

We have set up the following Charities:

- 1) Thye Hua Kwan Temple
- 2) Ang Mo Kio-Thye Hua Kwan Hospital
- 3) THK Nursing Home
- 4) Thye Hua Kwan Moral Charities
- 5) Child Care Centres and Student Care Centres
- 6) Free Meal Services
- 7) TCM Services

We only wish we can do more to help more people.

Ang Mo Kio-Thye Hua Kwan Hospital is a patient-centric community hospital providing rehabilitative and sub-acute care. Our multi-disciplinary healthcare team develops a personalised and comprehensive programme for each patient to enhance their recovery process. Our aim is to help patients achieve independence and assist them in their integration back into society after discharge.

Crisis serves as a good time for reflection and recalibration. At Ang Mo Kio-Thye Hua Kwan Hospital (AMK-THKH), we took the opportunity to review how we rendered our services and explored how technology can help us deliver the same quality of care to our patients. In 2020, we tapped on a previous collaboration with the Singapore Management University to digitalise our visitor management system through the implementation of a robust and expandable 'Triage System' tailored to our needs in this pandemic. Our volunteer programmes, which plays an important part in keeping our patients mentally, physically, and socially engaged were

temporarily halted but were able to resume virtually thanks to videotelephony platforms such as Zoom.

To help reduce the transmission risk of COVID-19, our Home Healthcare Team introduced a new teleconsultation service which allowed our patients to recover in the safety of their homes without any compromise to their treatment plans. For dialysis patients who have to physically come down to the hospital, we made changes to our infrastructure and process at the Dialysis Centre to ensure that our patients were not exposed to additional risk, which was especially important as we continued to serve those serving their Home Quarantine Orders and Stay Home Notices.

Thye Hua Kwan Nursing Home @ Hougang

was set up to provide person-centred quality nursing care for our seniors, to facilitate aging in the community. The COVID-19 pandemic has created much suffering and inconveniences to the community. Following AIC's advisory that visitors (eg caregivers and volunteers) are not allowed to enter the Nursing Home to reduce the importation risk of COVID-19, NHs are encouraged to use telephone or video calls for residents and their loved ones to keep in touch, and should roster this on a regular basis where possible. With the help of technology, all caregivers have to use whatsapp to video call their loved ones.

Since October 2011, **Thye Hua Kwan Moral Charities (THKMC)** was incorporated as a charity with an Institution of a Public Character (IPC) status to provide multiple social and welfare services to the community at large.

THKMC has more than 60 programmes and services to serve the elderlies, families, children and youth, as well as persons with disabilities. Over the years, we have progressively grown to expand our programs and services to meet the increasing needs of our community, as well as to reach out to more people within the community. Moreover, we ensure that help remains easily available to anyone in need.

THK CHARITY BUDDHA 2020

24 February 2020 - Ms Denise Phua, Mayor, Central Singapore District and Member of Parliament for Jalan Besar GRC officiated the launch of the 15th THK Charity Buddha Donation Drive.

Beaming in gold, the Laughing Buddha is a symbol of goodwill and compassion. For the past 14 years, THK Charity Buddha sits along Waterloo Street attracting both tourists and locals to come forth and donate to the various social and welfare causes of Thye Hua Kwan Moral Society (THKMS).

The yearly donation drive collects approximately \$200,000 and proceeds go towards THKMS services like her 4 Free Meal Centres, Free Clinics and self-funded programmes and services. THK Charity Buddha donation drive is made possible by the unwavering support from Sin Chew Chinese Cultural Products Supermart Private Limited,

which have sponsored the venue for the Laughing Buddha statue for the past 14 years. Every morning, at opening, they have to reel out the life-sized statue to its store-front and securely house it back at closing time. Despite the COVID pandemic, people from all walks of life are still paying respect to the Laughing Buddha with hope of seeking blessings and good fortune, as they dropped their donations into the slot of the Buddha's belly.

However, staff of Sin Chew have been disinfecting the surface of the statue several times throughout the day and a bottle of hand sanitizer is also placed beside the statue. More than just a religious icon, the THK Charity Buddha brings people of different races and religions together to do good. The event is one of the many avenues that THK uses to promote the spirit of kindness and inclusivity.

THK Chairman Mr Lee Kim Siang presenting a token of appreciation to Dr Koh Poh Koon, Senior Minister of State for Trade and Industry and Then Member of Parliament for Ang Mo Kio GRC for gracing the event

THK SPRING FESTIVAL 2020

19th January 2020 – Dr Koh Poh Koon, Senior Minister of State for Trade and Industry and Then Member of Parliament for Ang Mo Kio GRC, graced the 2nd THK Spring Festival at Ang Mo Kio Centre Stage @ AMK Town Centre.

THK Spring Festival is organised by Thye Hua Kwan Moral Society (THK). It is a platform that showcases the talent of beneficiaries and staff. Beneficiaries are empowered to give back to the community through various cultural performances. Most importantly, the event spreads the joy of the Chinese New Year and brings diverse ethnic communities closer through better understanding.

Based on last year's attendance, the event will reach out to about 1,000 people in Ang Mo Kio Centre Stage, which is the crossroads to food, shopping and transportation in Ang Mo Kio Town Centre.

SUPER TALENT CHILDCARE CENTRES

Super Talent Childcare Centres continues to strive for quality care and education for young children, from 2 months to 6 years old, as the childcare reaches its fourth year as an appointed Partner Operator (POP) under the Early Childhood Development Agency's (ECDA) POP Scheme. While the leaders and teachers participate in various projects with community partners and families, the centres were also renovated to keep up with a new and modern learning environment.

Children of Super Talent Childcare preparing for their Start small Dream Big mission

Children of Super Talent Childcare (MacPherson 93) created a beautiful framed picture for our Front-line Heros

'GIVE SALUTE TO OUR FRONT LINERS!'

Our Kindergarten 1 and Kindergarten 2 would like to send out their love and thank you messages by putting up together a beautifully framed picture with wholehearted gratefulness to our FRONT-LINE HEROS at Ang Mo Kio – Thye Hua Kwan Hospital.

START SMALL DREAM BIG 2020

Showing Our Little Love & Care

Start Small Dream Big was initiated by the Early Childhood Development Agency (ECDA) to encourage pre-schoolers to give back to the community in their own small ways. This year theme is 'A Caring & Inclusive Home for All'.

The objective for our super kids is to enable them to build a great big heart to make Singapore an inclusive place to live in. In line with our recent COVID-19 pandemic, our project titled 'Super Talent Cares' will encourage and introduce our preschoolers with a sense of appreciation for the front-liners who has been working tirelessly to keep us safe and prevent the spread of Covid-19. They include doctors and nurses as well as essential workers who have been taking care of our food and needs during this difficult period. Our project was made up of 3 parts, namely; 'Give Salute to Our Front liners!', 'Give Appreciation to Our Essential Parents!' and 'Give Love to Our Elderly and Less Fortunate!'.

SUPER TALENT CHILDCARE CENTRES

CHINA TOWN FIELD TRIP

Super Talent 93 has organized a visit to Chinatown. The cultural visit was aimed to raise cultural awareness and show appreciation of Chinese culture and heritage. For a more enriching experience, the children took the public transport to get there. Walking along the busy streets of Chinatown, the children witnessed a myriad of colourful and musical buzz of activities. The children also experienced doing some shopping for the festival. They were encouraged to interact and initiate conversations with various stall vendors to gain an insight into Chinese New Year customs and traditions.

Super Talent Childcare Children celebrating Deepavali

Super Talent Childcare (MacPherson 93) children learning about the Chinese cultural and heritage

DEEPAVALI CELEBRATION

Diwali means a series of lights. Deepavali is a festival of lights celebrated in India, mainly by members of the Hindu religion, but also by many other religions such as Sikhs and Jains. This festival is celebrated once a year in the month of either October or November based on Hindu calendar.

It signifies the celebration of good over evil. When it comes to preparations for Diwali, they are done in an extensive way, and the celebration takes place over a period of five days. People, especially from Hindu faith clean their homes and offices and renovate everything leading up to the festival.

In Super Talent Childcare Centres, we celebrated Deepavali on 13 November 2020 with a series of activities for the children from the different classes. Teachers read a story of Diwali to the children and explained the meaning behind this festival. Due to COVID-19, children celebrated this festival within their own class.

SUPER TALENT STUDENT CARE CENTRES

Super Talent Student Care Centres provide care and supervision to children aged 7 - 14 years old with a conducive environment for holistic development by rendering homework supervision, organised play, enrichment and recreational activities. Currently, there are 3 Super Talent Student Care Centres - Bedok North, Bukit Panjang and Punggol Walk.

FUN AND EXCITING SESSION OF CHINESE DRUMMING

Holiday event. In conjunction with Esplanade's upcoming Haoyi's Chinese Festival of Art in Feb 2021, Super Talent Student Care @ Bukit Panjang were invited by Esplanade to conduct the free workshop in our centre for fun and exciting session of Chinese drumming! Through the playing of drums together, student experienced the joy of playing music together, while enhancing their motor skills, learning the importance of teamwork and building a sense of community.

Drum Instructor teaching our student

CELEBRATING CHILDREN'S DAY

Super Talent Student Care @ Bukit Panjang celebrate Children's day with a big cake and nice gifts. Although we could not have games due to the Covid19 but every student was happy sharing the delicious cakes and wonderful gifts donated by NYP.

Celebrating Children's day with a nice cake and gifts donated by NYP

SUPER TALENT STUDENT CARE CENTRES

RETURNING BACK TO SUPER TALENT STUDENT CARE CENTRES

Super Talent Student Care Centres were glad to have our students returning back in Phase 2. We are very appreciative of all the parents' support during the 2 months closure due to the Circuit Breaker extension. To show our appreciation, every student has received a Back to School Gifts Pack.

New Back to school routine with new guidelines, our Student Care Centres are doing what we can to keep them safe while engaging them in enriching activities, social distancing and keeping safe.

Students returning back in Phase 2 received a Back to School Gifts Pack

TEACHER'S DAY CELEBRATION

Super Talent Student Care Centre @Bukit Panjang celebrated Teacher's Day with nice food, sweet gifts, online training courses and appreciation certificate with letters. Not only materials rewards, but also spiritual praise.

Certificate of Appreciation
5 Years Full Time

Our Teacher received her Long Service Award

A BIG THANK YOU

A big thank you to UOB for bring Super Talent Student Care @ Punggol Walk's student an awesome journey and giving them the surprise goodies bags. They had a wonderful day and enriched their knowledge.

Students receiving a surprise goodies bags from UOB

A big thank you to CORI Traveller for sponsoring the CORI SuperMASK to Super Talent Student Care Centres. The teachers and staff of our three centres deeply felt the support and warmth from social enterprise and motivated to take care our students meticulously.

Teachers and staff receiving the CORI SuperMask donated from CORI Traveller

THK ANGSANA HOME @ PELANGI VILLAGE

THK Angsana Home @ Pelangi Village is a gazetted Welfare Home under the Destitute Persons Act. With its commission to recuperate destitute persons, the Home is more than a shelter to 165 main home residents; it provides them with care and rehabilitation. The Home also operates an Intake Centre, for newly admitted persons, and has a capacity for 20 residents.

2020 was a year where norms were shattered, and innovating was a necessity. Riding the adversities brought by the COVID pandemic was a challenge and keeping the residents and staff of the home safe was paramount. This came at a cost. Restrictions to movement were in place, split zones, split teams and working with a skeleton team meant that the comfort and freedom of movement that were once taken for granted was then greatly affected. However, this did not stop the Home from providing its best to our residents. The Home stepped up and found means to provide some degree of normalcy and welfare of our Residents and Staff. Here several initiatives were born. The lockdown meant that our residents were deprived of their essentials. Hence, the Home sort to provide 3 months of welfare pack distribution to ease their discomfort and meet their needs. However, this was not a sustainable in the long run.

Since we could not bring residents out to meet their needs, initiatives were planned to bring their needs to them instead. The Supermarket on Wheels, Virtual Tours, online courses and activities, Esplanade on Wheels were examples of such initiatives. The fruit of Angsana Future Ready project also reaped a technological boost to our Home Capability to support these initiatives and to build more resilience against the challenges of a pandemic were also a focus.

PROVIDING RELIEF TO OUR RESIDENTS

The lockdown prevented our residents from their usually monthly grocery shopping. Thus, to relief the stress of not having their essential needs met, the home mobilized a Welfare Pack initiative to tide them through 3 months of lockdown.

Each resident was given several food items such as instant noodles, coffee, tea, and snacks to last them a month of lockdown. This initiative continued for 3 months till Advisory guidelines allowed the flexibility for contactless deliveries.

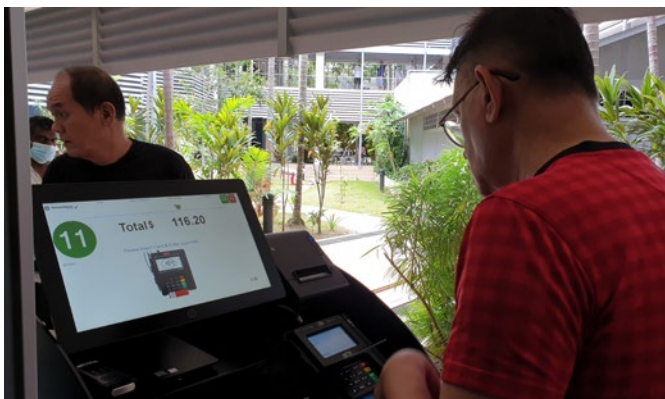

Each resident was given several food items such as instant noodles, coffee, tea, and snacks to last them a month of lockdown. This initiative continued for 3 months till Advisory guidelines allowed the flexibility for contactless deliveries.

SUPERMARKET ON WHEELS

Circuit Breaker restricted our residents' ability to replenish their monthly grocery needs. As a result, the Home issued Welfare Packs to help them tide through a few months. However, this initiative was unsustainable in the long run. Hence, an innovative solution had to be thought out. Since we could not bring our residents to the grocery store, we brought the store to them!

In partnership with Sheng Siong, a mobile store initiative was set up at the Home to cater to our resident's grocery needs. The CM and Programmes Teams worked tirelessly to collate the shopping list of all our residents, and coordinated with Sheng Siong to bring those items, and planned for the logistics and safety measures to ensure that the event moves smoothly and safely. A contactless service was set up where payment and collection point were done by Home's staff while packing and delivery were handled outside the Home by Sheng Siong's Staff.

Assisted by our SHA Gamini, residents received their purchase safely without coming into contact with Sheng Siong's Staff.

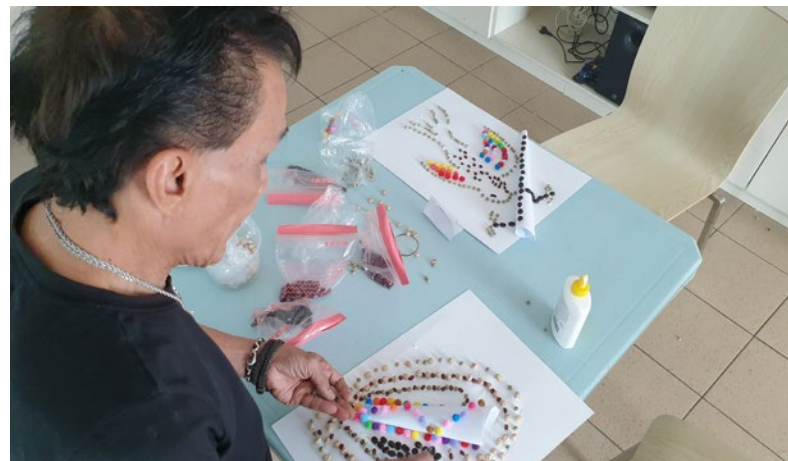

Residents learning about the history of coffee in Singapore and how using just coffee beans, they can create beautiful works of art.

ONLINE ACTIVITIES AND COURSES

The many months during the lockdown meant that our residents felt rather disconnected from the community. Facing the same faces and same environment meant that activities became somewhat lacking a certain "spark". When safety measure guidelines opened up to allow for activities to be conducted in a small group setting, we were able to reignite this "spark" by reconnecting them back to the community through the resumption of interactive volunteer engagements with our residents. Once again, since volunteers cannot enter the home physically, we can "digitally" connect them to our residents via online platforms like Zoom and Webex. Once again, Art Programmes and Skill Based Training Courses can resume.

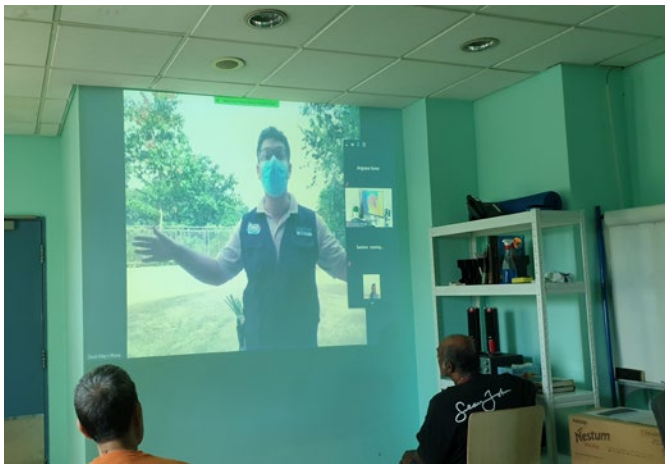

In partnership with Singapore Heritage Board and Red Balloon Therapy, residents went on a journey back through time to appreciate our roots and culture through Art.

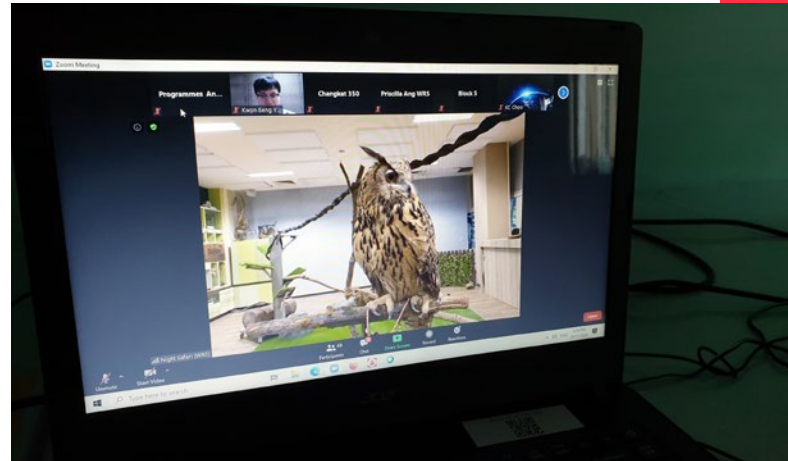

THK ANGSANA HOME @ PELANGI VILLAGE

VIRTUAL TOURS

Organized tips had to be placed on hold till Singapore becomes safe again for our residents. But this did not mean that they cannot travel and visit places. In partnership with Wildlife reserves Singapore, we were able to “bring” them on a tour to the River Safari and Night Safari.

Here they got to meet a few star attractions and learned more about the capybara, the great white pelican, the owl and the racoon

ESPLANADE ON WHEELS

The Esplanade on Wheels was the highlight of 2020. For a whole year, residents got to experience the community digitally. Through virtual tours and online engagements with volunteers. But nothing beats the vibe of 'live experience'. The atmosphere, the cheer, the euphoria of firsthand untethered experience. As such, the Home's collaboration with the Esplanade and under the guidance of the Ministry, brought to the residents, a safe and amazing experience of life performance by a talented artist. And even for many of us staff, the one and only live performance we had for the whole of 2020.

A mini stage set up for 1 performer engaging over a dozen residents with nostalgic songs of yesteryears

A mini stage set up for 1 performer engaging over a dozen residents with nostalgic songs of yesteryears. The artist was mutli lingualed and captivated our residents with his extensive library of songs from various language and dialets. Residents had a great time clapping to the tune and singing along to their favourite songs.

THK MORAL WELFARE HOME

THK Moral Welfare Home is a Ministry of Social and Family Development (MSF) gazette Home, managed by Thye Hua Kwan Moral Society. The Home renders care and rehabilitation for the destitutes with multiple disabilities, with most of them being intellectually disabled.

The Home is ran by a multi-disciplinary team made up of the Admin, Case Management, Nursing, Rehabilitation and Operations Team. A total of about 50 staff oversees the well-being of the residents. As the Home is under the purview of MSF, monthly visits are conducted by a group of Board of Visitors (BOV) who reviews the Home's facilities and resident's welfare, to ensure safe and healthy living standards is adhered to in the Home.

NEW PROGRAMMES AND INITIATIVES

In 2020, the Home commenced a Batik Painting Workshop organised by Kamal Arts Limited, supported by Singapore Central CDC. The program ran over the course of 10 weeks, allowing residents to unleash their creativity with the painting and mixing of colours for their batik artworks.

Residents of Moral Welfare Home engaged with batik artwork painting

COMMUNITY PARTNERSHIP / VOLUNTEERISM

Into its 6th year, the annual 'Big Day Out' which is organised jointly by the Home and James Cook University, had to be done remotely this year due to the COVID-19. The event in 2020 is aptly called 'Big Day In', where student volunteers from James Cook University engaged the residents by giving them a virtual overseas trip around the world. The Home would like to express our special thanks to our long-term partner, James Cook University for their continued support and sponsorship.

We are also extremely grateful to the volunteers of the following organisations for their ongoing support for our residents:

- Art of Living Foundation
- Be Kind SG
- Christ Grace Church
- Mahaprajna Buddhist Association
- NUS Volunteer Action Committee
- People's Association
- Pu Ti Buddhist Temple
- Silat Road Sikh Temple
- The Esplande Co

Be Kind SG's guest performers in Moral Welfare Home

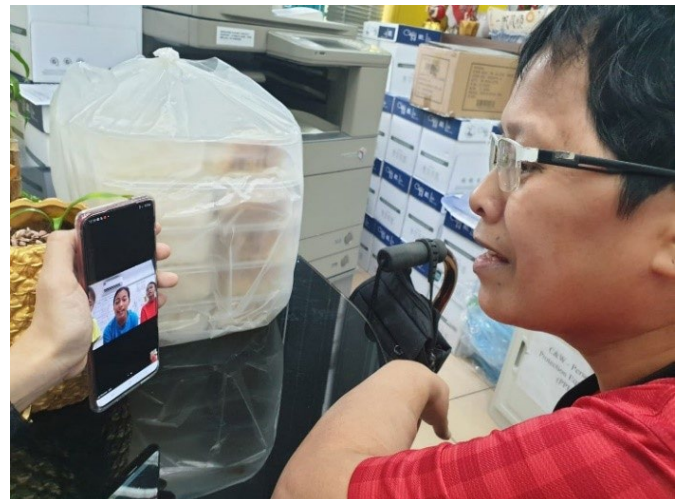

In November 2020, Be Kind SG reached out to the Home to hold a special performance for the residents of the Home. With safe management measures in place, guest performers showcased their performances in the Home's courtyard, away from the residents, to prevent any close contact. The performances were viewed by the residents from the corridors of their dormitories with safe distancing measures in place and they thoroughly enjoyed the performances planned out for them.

Be Kind SG's guest performer performing a bubble act for the residents

MAINTAINING FAMILY TIES

Due to the COVID-19 pandemic and the safe management measures in place, residents of Moral Welfare Home were not able to visit their family members who are residing in other residential Homes. To enable the residents to continue keeping in touch with their family members and receiving emotional support from them, the Home conducted Zoom sessions to enable them to stay connected with their family members.

THK MEDICAL SERVICES

THK Medical Services serve anyone who is in need, regardless of their race, colour, creed, language, culture and religion. THKMS offers medical services for the community by running several free clinics, namely THK Moral Free Clinic (Western Medical) located within THK Family Service Centre @ MacPherson, as well as THK Traditional Chinese Medicine (TCM) centres located at Taman Jurong and Ang Mo Kio-Thye Hua Kwan Hospital.

THK Moral Free Clinic (Western Medical) welcomes migrant workers who are in need of medical consultations. It opens once a week and has about 250 patient visits annually. **THK TCM Medical Centre (Taman Jurong)** opens twice a week and had 1,981 patient visits in 2019. On the other hand, **THK TCM Medical Centre (AMK-THKH)** operates 5.5 days per week and had about 9,959 patient visits in 2019.

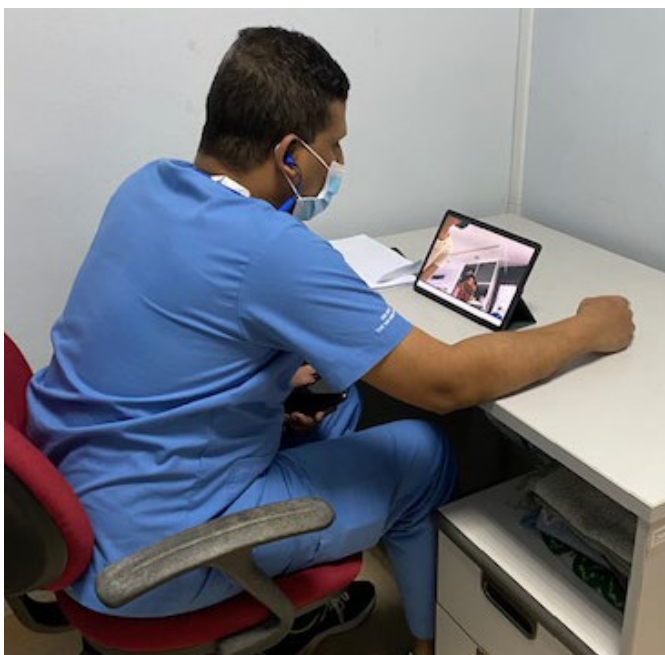

Doctor checking on a patient at THK TCM Medical Centre (AMK-THK Hospital)

ANG MO KIO-THYE HUA KWAN HOSPITAL

Ang Mo Kio-Thye Hua Kwan Hospital is a 370 bedded community hospital that offers rehabilitative and sub-acute care. It offers a customised care plan for every patient, to help them regain independence and mobility, so as to integrate them back into the community. Ang Mo Kio-Thye Hua Kwan Hospital had a total of 2722 patients in 2020.

TELECONSULTATION FOR PATIENTS AT HOME

To help reduce the transmission risk of COVID-19, the Home Healthcare Team, with funding help from the Agency for Integrated Care, introduced a new teleconsultation service in September 2020. Through video calls, our clinicians were able to speak to the patients while performing a visual review of patients' conditions, and make adjustments to the treatment plan. Our nurses ensured that patients followed the treatment plan, took their medication as prescribed, and also addressed concerns about their wounds if they have any. Patients were also taught how to correctly carry out therapy sessions at home with their caregivers, and our therapists helped to ensure the correct procedures and techniques were adopted.

Ang Mo Kio-Thye Hua Kwan Hospital therapist reviewing a patient's therapy progress through a video call

ENSURING UNINTERRUPTED TREATMENT FOR HOME QUARANTINE ORDER AND STAY HOME NOTICE PATIENTS

Even as the pandemic raged on, dialysis treatment for kidney patients cannot be stopped as it would lead to further deterioration of their health or even death. This remains true for patients who have been served the Home Quarantine Order (HQO) or the Stay Home Notice (SHN), especially with the then looming Circuit Breaker. Action had to be taken quickly and the team at Ang Mo Kio-Thye Hwa Kwan Hospital's Dialysis Centre (DC), with support from Operations, was able to implement infrastructure and process changes to ensure that the safety of all patients were not compromised. The team converted the DC's Fire Exit to be a dedicated entry and exit point for HQO and SHN patients. A separate triage counter and equipment corner for Personal Protection Equipment (PPE) were also set up. Treatment schedules for patients were also adjusted to ensure that treatment sessions for HQO and SHN patients were the last session each day to protect the other patients. Staff at the DC would don PPEs during the treatment sessions, and the centre is disinfected at the end of the session.

The Dialysis Centre team ensured the safety of all patients were not compromised

DIGITALISING VISITOR MANAGEMENT

Following the outbreak of COVID-19, Singapore began implementing precautionary measures in January 2020. The pandemic situation evolved quickly and soon, the constant addition of requirements in managing visitors to the hospital began to put a strain on the system that was in place.

The hospital had to respond quickly to the new situation and requirements. Fortunately, the hospital had the foresight that a robust visitor management system would be required during such a situation and had previously collaborated with the Singapore Management University to develop a 'Triage System'. However, the 'Triage System' had never been tested in a real pandemic situation and every pandemic requires a unique solution.

The efforts of the team, which comprised of Doctors, Nurses and staff from the Admissions office, were recognised at the Singapore Health Quality Service Award 2021

NEW WARDS TO CARE FOR THE CHRONIC SICK

In March 2020, Bright Vision Hospital (BVH) was designated by the Ministry of Health to exclusively receive COVID-19 patients as part of a strategic move to maximise the efficient use of hospital resources in preparation for a surge in new COVID-19 cases. This meant that existing patients in BVH had to be relocated, and Ang Mo Kio-Thye Hua Kwan Hospital was approached by BVH to take over the care of their chronic sick patients. Right around the same time, Yishun Community Hospital (YCH) also came forward to make a similar request as they had to prepare to receive COVID-19 patients.

The pandemic situation was developing rapidly which meant the hospital would have to act quickly. A team comprising of doctors, nurses and staff from the Admissions office was formed to undertake the task of transforming two existing wards to admit these new patients with high level of care needs. In a matter of two weeks, the team had to relocate existing patients to other wards, reconfigure the wards to include additional equipment, and conduct intensive training for nurses to ensure that they are properly equipped to handle the new patients. The transformation of the wards and successful transfer of patients from BVH and YCH in such a short time was no mean feat, and their efforts did not go unnoticed. The team was awarded the Best Team (Merit) award at the Singapore Health Quality Service Award 2021 held on 29 March 2020.

A new triage/registration counter was set up in tandem with the new 'Triage System'

A team, with the Management Information Systems Department and the Infection Control Department as the core, was quickly formed to review and revamp the 'Triage System' to address the system's multiple inadequacies and missing features which were sorely needed to handle this particular pandemic. Multiple enhancements were made and when the system was implemented, it was a whole new system which not only reduced the manpower requirements to manage the system, it also eliminated manual processes, such as crosschecking of records between different teams, and made generating reports much quicker. The system was also extended to the Tan Tock Seng Hospital Rehabilitation Department located within the hospital.

Most importantly, it significantly shortened the waiting time of visitors, which helped to create a safer and better visitor experience.

ANG MO KIO -THYE HUA KWAN HOSPITAL

The 'Rising to the Call of the Nation' team bagged the Best Team (Merit) Award at the 2021 Singapore Health Quality Service Awards

Hero Winners from the Day Rehabilitation Centre.

SINGAPORE HEALTH QUALITY SERVICE AWARDS 2021

The 2021 Singapore Health Quality Service Awards held on 29 March 2021 was a special COVID-19 edition themed "Celebration of Unity", which celebrated close to 7,000 healthcare professionals and partners from 38 public and private healthcare institutions, community hospitals as well as agencies from the Community Care sector who have contributed significantly in the nation's fight against COVID-19.

COMMUNITY CARE EXCELLENCE AWARD 2020

The Community Care Excellence Award aim to recognise the contributions of individuals and project teams who have demonstrated exemplary service and commitment in delivering quality care to their clients in the Community Care Sector. On 30 October 2020, 13 silver award recipients from Ang Mo Kio-Thye Hua Kwan Hospital were recognised in a virtual ceremony graced by Minister for Social and Family Development and Second Minister for Health Mr Masagos Zulkifli.

In addition to the 101 individual Healthcare Hero Award recipients, seven staff from Nursing and the Admissions Office received the Best Team (Merit) Award for stepping up to the challenge of transforming our wards in the midst of the pandemic to care for patients of a different profile which we didn't have to before.

Our Medical Social Workers were also recipients of the Hero Award

COMMUNITY CARE MANPOWER DEVELOPMENT AWARD

The Community Care Manpower Development Award aims to improve the manpower capabilities of the Community Care sector, to meet the demands of our ageing population. Seven recipients from Ang Mo Kio - Thye Hua Kwan Hospital were awarded the Community Care Manpower Development Award at the virtual awards ceremony held on 16 October 2020. The ceremony was graced by Senior Minister of State for Health Dr Koh Poh Koon.

Healthcare Humanity Awards winner Mohamad Sharil leads the Volunteer Management team at Ang Mo Kio-Thye Hua Kwan Hospital

HEALTHCARE HUMANITY AWARD 2020

The Healthcare Humanity Awards pays tribute to exemplary healthcare workers, caregivers and volunteers who go the extra mile for the needy. Mr Mohamad Sharil Bin Abdul Rahim, Senior Executive of the Volunteer Management Team was one of the 95 recipients of the 17th Healthcare Humanity Awards held on 8 December 2020

Our Hero Nurses continued to be the backbone of our Hospital

THK NURSING HOME @ HOUGANG

Thye Hua Kwan Nursing Home @ Hougang was set up to provide person-centred quality nursing care for our seniors, to facilitate aging in the community. As of December 2019, there are 277 admitted patients, including 125 elderly patients with dementia.

A series of programmes and community partnerships are in place to keep the residents engaged and actively stimulated to counter the four major problems of loneliness, boredom, despair and isolation which are common problems for many seniors staying in residential care.

PROGRAMMES & INITIATIVES NURSE LED PROGRAMME

With volunteer activities reduced during most of COVID period, nurses and therapy aides had to keep the residents occupied from being bored, and depressed by having simple art & craft, dementia sensory board activities conducted.

VIRTUAL ENGAGEMENT ACTIVITIES YOLDEN ARTS PROGRAMME

Yolden Arts Volunteers engaged with a maximum of 5 residents in the day room teleconferencing by ZOOM per session.

YOLDEN is a regular senior befriending programme that aims to cater to the physical, intellectual and social emotional wellness of the residents in the respective nursing homes. The word YOLDEN is derived from YO-YOuths and OLDEN-gOLDEN which represents the youths and seniors respectively.

This programme is supported by AIC and National Arts Council.

Residents creating beautiful art pieces during Art workshop

THK NURSING HOME @ HOUGANG

VIDEO-CALLS WITH NOK

Following AIC's advisory that visitors (e.g. caregivers and volunteers) are not allowed to enter the NH to reduce the importation risk of COVID-19, NHs are encouraged to use telephone or video calls for residents and their loved ones to keep in touch, and should roster this on a regular basis where possible.

Description:

- All video calls are on Whatsapp.
- SSN/SN should have a schedule record of day and timings when caregivers want to video call the residents.
- Video calls for 30 mins only
- Video calls are only during the visiting hours – 11am to 2pm and 4pm to 6pm.
- There is a nurse assisting to make the video call and knows how to operate the tablet.

Resident having video call with their loved one

PROJECTS AND COLLABORATIONS TELEPRESENCE ROBOTS

Together with AIC, Thye Hua Kwan Nursing Home @ Hougang (THKNH @ Hougang) piloted the use of Telepresence Robots for a period of three months. This pilot, which taps on #ReadyTogether, aims to assess if the automated devices can offer alternative ways of delivering care and services to better support seniors.

THKNH used the Telepresence Robots for its volunteer activities conducted once a week by the Youth Corps. The volunteers conduct 90-minute sessions of simple exercises or art and craft for the residents of THKNH @ Hougang via remote access. Seniors are able to see the volunteers on the screen and follow their instructions, while the volunteers are able to observe the progress of the residents doing the activities. Residents of THKNH @ Hougang have taken positively to the Telepresence Robots.

Telepresence Robots interacting with our Resident

QTUG TECHNOLOGY

Our elderly residents and those in the community deserve to be happy and independent for as long as possible.

Current falls risk, gait or mobility assessment is done via a range of different assessment tools, such as Berg Balance Scale and the Time Up and Go Test (TUG). However, these assessments contain many subjective elements and are done via manual forms. This takes up a lot of time of the therapists who could be spending the time more effectively in running therapy programmes or training staff.

By introducing a digitized assessment technology, we can be able to conduct more accurate assessments in shorter amounts of time, including falls risk score, mobility scores, and scores on quantitative gait parameters.

Residents using QTUG wearable sensors

Residents can benefit from assessment of mobility, falls risk or frailty

Through adopting Quantitative Timed Up and Go (QTUG) technology, we can achieve the following outcomes:

- 1) Savings in manhours spent on resident/client assessment
- 2) Improved care quality and efficiency in assessment of clients

Assessments that took half an hour in the past could be as quick as just 5 minutes with the solution available. Data records, trending of client progress and report generation will also be available and readily available with a few clicks as compared to the manual data entry and charting in the current state.

THK NURSING HOME @ HOUGANG

AWARDS

8TH APAC ELDERCARE INNOVATIONS AWARDS

At the 8th APAC Eldercare Innovations Awards, held by Ageing Asia on 25 Nov 2020, THK Nursing Home Limited took home 3 awards, namely:

3. BEST SMART CARE TECHNOLOGY – OPERATIONAL MANAGEMENT SOLUTION

Winner: CARES by Thye Hua Kwan Nursing Home Limited, Singapore

Best operational management technology innovation that enables independence, health monitoring, operational efficiency and care support

We were also finalists for the following awards:

INNOVATION OF THE YEAR
DEMENTIA CARE MODEL SOLUTION

INNOVATION OF THE YEAR
PRODUCTIVITY FINALIST

BEST HOME CARE OPERATOR

BEST REHABILITATION PROGRAMME

BEST SMART CARE TECHNOLOGY PRODUCT

THYE HUA KWAN NURSING HOME BOARD OF DIRECTORS

1. INNOVATION OF THE YEAR – HEALTH PROGRAMME

Winner: MindGym by Thye Hua Kwan Nursing Home Limited, Singapore & DancingMind Pte Ltd

Best health programme implementation that demonstrates improvement in quality of life for older adults.

2. BEST DAY CENTRE OPERATOR

Winner: THK SCC @Kaki Bukit

Provides the best centre based health, care and social services to enable ageing-in-place

THYE HUA KWAN MORAL CHARITIES

Thye Hua Kwan Moral Charities (THKMC) is the social service charity arm of Thye Hua Kwan Moral Society (THKMS). Since October 2011, THKMC was incorporated as a charity with IPC status to provide multiple social and welfare services to the community.

THKMC provides assistance to the various groups in our community through more than 70 programmes and services for children and youths, families, elderly and sick as well as persons with disabilities.

THK HQ staff enjoying the sweet treats sponsored by our corporate partners, Ben & Jerry's and Okada Coffee & Sweets

During the celebration, THK Chairman Mr Lee Kim Siang and THKMC COO Mr Jason Lee acknowledged the efforts of all the staff, especially the front-liners for their tireless dedication in serving the clients and their adaptability during this COVID-19 pandemic. Moreover, as THKMC believes in empowering their staff to keep learning and growing, their achievements were also celebrated during this event. There were a total of 109 employees who received Loyalty Awards, while 41 employees received Promotion Awards.

The line-up of activities for this event included a lucky draw with attractive prizes for the staff to take home. After the lucky draw, a video montage of staff performances was played and it was amazing to see how talented they are. Finally, the event ended with a cake cutting ceremony. In commemoration of this joyous occasion, THK Aviators baked a beautiful cake for THKMC, which THK Chairman Mr Lee Kim Siang and THKMC COO Mr Jason Lee sliced and distributed it to the staff.

Back row, second from the left: THKMC Board Members Mr Lawrence Ng and Mr Cheong Kah Meng, THK Chairman Mr Lee Kim Siang, THKMC Board Member Er Ong Ser Huan, as well as THKMC COO Mr Jason Lee (front row, third from the left) and THKMC Board Member Mr Koh Juay Meng (front row, fourth from the left) with best employee nominees and loyalty award winners

THKMC STAFF APPRECIATION NITE 2020

THKMC's 9th anniversary was celebrated on 30 October 2020. In conjunction with this special day, THKMC held a virtual celebration to show our appreciation to all staff for their hard work and dedication. Prior to the event, there was a variety of Do-It-Yourself (DIY) activities to engage the staff. Many of the staff had fun making their own DIY creations, and the most creative ones were selected as winners.

CHILDREN'S DAY CELEBRATION FOR THK EIPIC SERVICES DIVISION

Celebrating Children's Day with the children and their families has been an annual tradition for THK EIPIC Services Division. However, due to the COVID-19 pandemic, the Children's Day celebrations became a muted affair in 2020, but the staff still found innovative ways for the children to have fun on their special day.

To spur their creativity and encourage family bonding time, the staff of THK EIPIC Services Division came up with a tote bag design competition. The winning entry was done by a child of THK EIPIC Centre @ Woodlands and her family. Her design was printed on tote bags and given to all the children as gifts for Children's Day, which was celebrated on 7 October 2020.

Besides this design-a-tote bag competition, the Music Therapist team from THK EIPIC centres composed, recorded and arranged a song for Children's Day. This song was used as background music for a video montage, which was shown to the children to remind them of how special and wonderful they are.

THKMC Board Member Mr Koh Juay Meng (centre) with the volunteer bakers from Island of Hope and THK Aviators right before the commencement of the baking session!

BAKE A SMILE: A VOLUNTEER-DRIVEN INITIATIVE

On 30 July 2020, 14 volunteers gathered to bake 3,000 muffins to show appreciation to THKMC's front-line staff for serving the community tirelessly during the COVID-19 pandemic.

THKMC Board Member Mr Koh Juay Meng graced the event with words of encouragement towards the volunteers, partners, and staff. Everyone was smiling ear to ear as they got into groups excitedly and started mixing the ingredients while adhering to the safe distancing measures.

After hours of baking, the muffins were nicely packed and ready for delivery. THKMC Board Member Ms Cheah Sheau Lan came by and supported THK Aviators in the delivery of muffins. She also thanked and handed the boxes of muffins to our front-line staff! A total of 53 THK centres islandwide received the freshly-baked muffins over 2 sessions of delivery on 30 and 31 July 2020.

Bake A Smile is a volunteer-drive initiative by the Island of Hope volunteers, supported by THK Aviators. Special thanks to ToTT Store for the kitchen space, Starnet Marketing Pte. Ltd. for the muffin boxes, and Sensitive Chef Delcie from Delcie's Desserts and Cakes for the healthy banana muffin recipe.

THYE HUA KWAN MORAL CHARITIES

Preschoolers with the THK pedometer wristbands, all ready for the clocking of footsteps

WALK WITH ME 2020: A PILOT WALKATHON FOR PRESCHOOLERS

Over 1,000 preschool children from 25 preschools in Bukit Panjang participated in the 'Walk With Me' community walkathon to contribute in donating rice packets for the lower-income families in Bukit Panjang. The pilot walkathon hopes to inculcate the spirit of giving from a young age, along with a healthy lifestyle.

More than 20 million footsteps were clocked, tabulating to about 3,340kg of rice from 9 to 13 November 2020. To show appreciation for their achievement, the families and staff were treated to a virtual carnival session on 30 November 2020, where Adviser to Bukit Panjang Grassroots Organisations (GROs) Mr Liang Eng Hwa and Adviser to Zhenghua GROs Mr Edward Chia graced the event as Special Guests.

Walk With Me 2020 is a ground-up initiative by Bukit Panjang (BP) Cares, led by THK Family Service Centre @ Bukit Panjang, with the support of the BP Cares Consultative Committee and partners.
